Aetna Medicare RxSM Plans Pharmacy Directory

Pharmacies may have been added or removed from the list after this directory was printed. To get current information about Aetna Medicare Rx Plans network pharmacies in your area, please visit our website at:

www.aetnamedicare.com or call our Member Services Department at: 1-877-AETNA-11 (1-877-238-6211), Monday through Friday, 8 a.m. to 5 p.m. local time.

Introduction

This booklet provides a list of Aetna Medicare Rx Plans network pharmacies and includes some basic information about how to fill your prescriptions with Aetna.

To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage.

We call the pharmacies on this list our "network pharmacies" because we have made arrangements with them to provide prescription drugs to Plan members. A network pharmacy is a pharmacy where beneficiaries obtain prescription drug benefits provided by Aetna. In most cases, your prescriptions are covered under Aetna only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one, you are not required to continue going to the same pharmacy to

fill your prescription, you can go to any of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described later.

Can the list of Aetna Medicare Rx Plans network pharmacies change?

Yes, Aetna may add or remove pharmacies from our pharmacy directory. To get current information about Aetna's Medicare network pharmacies in your area, please visit our website at:

www.aetnamedicare.com or call Member Services at: 1-877-AETNA-11 (1-877-238-6211), Monday through Friday, 8 a.m. to 5 p.m. local time.

How do I find Aetna's Medicare network pharmacies in my area?

Use this directory as a reference to identify the pharmacies participating in Aetna's Medicare pharmacy network. Keep this directory handy so that you can find a participating pharmacy. The directory lists chain and independently owned and operated pharmacies by state and city. Also included in the directory are Mail Order, Home Infusion, Long Term Care, I/T/U and Specialty Pharmacy. You should verify participation in the Aetna Medicare Rx Plans network and exact operating hours directly with the pharmacy.

For up-to-date listings, visit our DocFind® online provider directory at **www.aetnamedicare.com**, check with your current pharmacy to see if they participate in the Aetna Medicare Rx Plans, or contact Member Services at: 1-877-AETNA-11 (1-877-238-6211), Monday through Friday, 8 a.m. to 5 p.m. local time to help you find pharmacies in your area.

How do I fill a prescription at a network pharmacy?

To fill your prescription at a network pharmacy, you must show your Aetna Medicare Rx Plans Member ID card. If you do not have your ID card with you when you fill your prescription, you may have to pay the full cost of the prescription (rather than paying just your co-payment). If this happens, you can ask us to reimburse you for our share of the cost by submitting a claim to us. To find out how to submit a claim, look in your Evidence of Coverage or call our Member Services.

How do I fill a prescription through Aetna Rx Home Delivery® mail order pharmacy service?

To get order forms and information about filling your prescriptions by mail, contact our mail-order vendor, Aetna Rx Home Delivery. Please note that you must use an Aetna contracted mail order service. Prescription drugs that you get through a non-contracted mail order service are not covered. Obtaining your prescription drugs through mail order is especially helpful when you are taking medications on a regular basis.

You may save money when you order a 90-day supply of covered drugs from Aetna Rx Home Delivery. By using our mail-order service you'll also enjoy:

- **Convenience:** Quick and confidential FREE shipping of your medications to the location of your choice
- **Ease of Use:** Our simple ordering process makes ordering your maintenance medications easy.
- **Quality Service:** Registered pharmacists check orders for accuracy and are available 24 hours a day, 7 days a week in case you have questions about your medication. Member Services is available Monday through Friday, 7 a.m.-11 p.m.; Saturday, 8 a.m.- 9:30 p.m. and Sunday, from 8 a.m.-6 p.m., Eastern Time. Our toll-free number is 1-866-612-3862 (TDD: 1-800-201-9457).

When you order prescription drugs by mail, you can order up to a 90-day supply of the drug.

You are not required to use mail order prescription drug services to obtain an extended supply of maintenance medications. Instead, you have the option of using a retail pharmacy in Aetna Medicare Rx Plans pharmacy network to obtain a maintenance supply of medications. Some retail pharmacies may agree to accept the mail order reimbursement rate for an extended supply of medications, which may result in no out-of-pocket payment difference to you. Please review the Evidence of Coverage or call Member Services at: 1-877-AETNA-11 (1-877-238-6211), Monday through Friday, 8 a.m. to 5 p.m. local time for more information.

Generally, your medication(s) will be delivered to you postage-paid 7-10 days from when Aetna's mail order pharmacy receives your order. If Aetna's mail order pharmacy needs to contact you or your prescribing physician about your order, delivery may take longer. If you prefer rush delivery, medication(s) can be shipped overnight for an additional charge.

In situations where a delay in shipment occurs, you will be instructed how to obtain your medication at an Aetna Medicare Rx Plan retail network pharmacy location.

Filling prescriptions at a non-network pharmacy

The following are a few exceptions when we will pay for a prescription filled at a pharmacy outside of our network.

Getting coverage when you travel or are away from the plan's service area

If you take a prescription drug on a regular basis and you are going on a trip, be sure to check your supply of the drug before you leave. When possible, take along all the medication you will need. You may be able to order your prescription drugs ahead of time through our mail order pharmacy service.

If you are traveling within the United States and territories and become ill, lose or run out of your prescription drugs we will cover prescriptions that are filled at an out-of-network pharmacy.

In this situation, you will have to pay the full cost (rather than paying just your co-payment) when you fill your prescription. You can ask us to reimburse you for our share of the cost by submitting a claim form. If you go to an out-of-network pharmacy, you may be responsible for paying the difference between what we would pay for a prescription filled at an in-network pharmacy and what the out-of-network pharmacy charged for your prescription. To learn how to submit a paper claim, please refer to the paper claims process described later.

You can also call Member Services to find out if there is a network pharmacy in the area where you are traveling. If there are no network pharmacies in that area, Member Services may be able to make arrangements for you to get your prescriptions from an out-of-network pharmacy.

We cannot pay for any prescriptions that are filled by pharmacies outside of the United States and territories, even for a medical emergency.

What if I need a prescription because of a medical emergency or because I needed urgent care?

We will cover prescriptions that are filled at an out-of-network pharmacy if the prescriptions are related to care for a medical emergency or urgent care. In this situation, you will have to pay the full cost (rather than paying just your co-payment) when you fill your prescription. You can ask us to reimburse you for our share of the cost by submitting a paper claim form. If you go to an out-of-network pharmacy, you may be responsible for paying the difference between what we would pay for a prescription filled at an in-network pharmacy and what the out-of-network pharmacy charged for your prescription.

Other times you can get your prescription covered if you go to an out-of-network pharmacy

We will cover your prescription at an out-of-network pharmacy if at least one of the following applies:

- If you are unable to obtain a covered drug in a timely manner within our service area because there is no network pharmacy within a reasonable driving distance that provides 24 hour service.

- If you are trying to fill a prescription drug that is not regularly stocked at an accessible network retail or mail-order pharmacy (including high cost and unique drugs).
- If you are getting a vaccine that is medically necessary but not covered by Medicare Part B and some covered drugs that are administered in your doctor's office.

Before you fill your prescription in either of these situations, call Member Services to see if there is a network pharmacy in your area where you can fill your prescription.

If you do go to an out of network pharmacy for the reasons listed above, you will have to pay the full cost (rather than paying just your co-payment) when you fill your prescription. You can ask us to reimburse you for our share of the cost by submitting a claim form. If you go to an out-of-network pharmacy, you may be responsible for paying the difference between what we would pay for a prescription filled at an in-network pharmacy and what the out-of-network pharmacy charged for your prescription. To learn how to submit a paper claim, please refer to the paper claims process described next.

How do I submit a paper claim?

When you go to a network pharmacy your claim is automatically submitted to us by the pharmacy. However, if you go to an out-of-network pharmacy because of the reasons listed above, the pharmacy will not be able to submit the claim directly to us and you will have to pay the full cost of your prescription. When you return home, simply submit your claim and your receipt to the following address:

P O Box 14023

Lexington, KY 40512

Upon receipt, we will make an initial coverage determination on the claim. Please refer to your Evidence of Coverage or call Member Services for more information on initial coverage determinations.

Introducción

Este folleto proporciona una lista de las farmacias de la red de los planes de *Aetna Medicare Rx* e incluye cierta información básica sobre cómo hacer preparar sus recetas con Aetna.

Para obtener una descripción completa de la cobertura de su receta, incluyendo cómo hacer preparar sus recetas, por favor revise la Evidencia de Cobertura.

Denominamos a las farmacias en esta lista nuestras "farmacias de la red" porque hemos llegado a convenios con ellas para proporcionar los medicamentos bajo receta a los miembros del plan. Una farmacia de la red es una farmacia donde los beneficiarios obtienen los beneficios

de farmacia proporcionados por Aetna. En la mayoría de los casos, sus recetas están cubiertas por Aetna solamente si se hacen preparar en una farmacia de la red o a través de nuestro servicio de farmacia a pedido por correo. Una vez que usted vaya a una, no se requiere que continúe yendo a la misma farmacia para llenar su receta, usted puede ir a cualquiera de nuestras farmacias de la red. Prepararemos recetas en farmacias fuera de la red bajo ciertas circunstancias, según lo descrito más adelante.

¿Puede cambiar la lista de farmacias de la red de los planes de *Aetna Medicare Rx*?

Sí, Aetna puede agregar o quitar farmacias de nuestro listado de farmacias. Para obtener información actualizada sobre las farmacias de los planes *Aetna Medicare Rx* en su área, por favor visite nuestro sitio en Internet en: www.aetnamedicare.com o llame a Servicios al Miembro al: 1-877-AETNA-11 (1-877-238-6211), de lunes a viernes, de 8 a.m. a 5 p.m. hora local.

¿Cómo encuentro las farmacias de la red de *Aetna Medicare* en mi área?

Use este listado como referencia para identificar las farmacias participantes en la red de farmacias de *Aetna Medicare*. Mantenga este listado a mano de modo que usted pueda encontrar una farmacia participante. El listado enumera cadenas de farmacias y farmacias de propiedad y operación independiente, por estado y por ciudad. En el listado también están incluidas farmacias para pedido por correo, de infusión casera, atención a largo plazo, Indígenas/Tribales/Urbanas (I/T/U) y

www.aetnamedicare.com

especializadas. Usted debe verificar directamente con la farmacia su participación en la red de los planes de *Aetna Medicare Rx* y el horario exacto de funcionamiento.

Para obtener listados actualizados, visite *DocFind*[®], nuestro listado de proveedores en Internet en www.aetnamedicare.com, consulte con su farmacia actual para ver si ellos participan en los planes de *Aetna Medicare Rx*, o póngase en contacto con Servicios al Miembro al: 1-877-AETNA-11 (1-877-238-6211), de lunes a viernes, de 8 a.m. a 5 p.m. hora local, para ayudarle a ubicar farmacias en su área.

¿Cómo hago para llenar una receta en una farmacia de la red?

Para llenar su receta en una farmacia de la red, usted debe mostrar su tarjeta de identificación como miembro de los planes de *Aetna Medicare Rx*. Si usted no tiene su tarjeta de identificación con usted cuando haga preparar su receta, usted puede tener que pagar el costo completo de la receta (en vez de pagar solamente su copago). Si esto sucede, usted puede pedirnos que le reembolsemos nuestra parte del costo presentándonos con un reclamo de reembolso. Para averiguar cómo presentar un reclamo de reembolso, vea su Evidencia de Cobertura o llame a nuestros Servicios al Miembro.

¿Cómo hago para llenar una receta usando el servicio de farmacia para pedido por correo de *Aetna Rx Home Delivery*[®]?

Para obtener formularios e información acerca de cómo llenar sus recetas por correo, póngase en contacto con nuestro proveedor de pedidos por correo, *Aetna Rx Home Delivery*. Por favor tome nota que usted debe utilizar un servicio de pedido por correo contratado por Aetna. Los medicamentos bajo receta que obtiene con un servicio de pedido por correo no contratado no están cubiertos. El obtener sus medicamentos

bajo receta a través de pedido por correo es especialmente provechoso cuando usted está tomando medicamentos en forma regular.

Puede ahorrar dinero cuando ordena un suministro de 90 días por medicamentos cubiertos de *Aetna Rx Home Delivery*. Al utilizar nuestro servicio de pedido por correo también disfrutará de:

- **Conveniencia:** Envío GRATIS, rápido y confidencial de sus medicamentos al lugar que usted elija.
- **Facilidad de uso:** Nuestro sencillo proceso de pedido facilita la solicitud de sus medicaciones.
- **Servicio de calidad:** Farmaceutas registrados verifican la exactitud de los pedidos y están disponibles las 24 horas del día, los 7 días de la semana en caso de que usted tenga preguntas sobre su medicación. Los Servicios al Miembro están disponibles de lunes a viernes, de 7:00 a.m. a 11:00 p.m.; el sábado de 8:00 a.m. a 9:30 p.m. y el domingo, de 8:00 a.m. a 6:00 p.m., hora del este. Nuestro número de teléfono sin cargo es 1-866-612-3862 (TDD: 1-800-201-9457).

Cuando pida sus medicamentos bajo receta por correo, usted puede ordenar un suministro de hasta 90 días.

No se requiere que utilice los servicios de medicamentos bajo receta de pedido por correo para obtener un suministro extendido de medicaciones de mantenimiento. En vez de eso, usted tiene la opción de usar una farmacia minorista en los planes de *Aetna Medicare Rx* para obtener un suministro de medicaciones como mantenimiento. Algunas farmacias minoristas pueden convenir en aceptar la tarifa de reembolso para pedido por correo para un suministro extendido de medicaciones, lo que pueden dar como resultado que usted no tenga que pagar de su bolsillo la diferencia en el pago. Revise la Evidencia de Cobertura o llame a Servicios al Miembro al: 1-877-AETNA-11 (1-877-238-6211), de lunes a viernes, de 8 a.m. a 5 p.m. hora local, para obtener más información.

En general, su(s) medicamento(s) le será(n) entregados por correo ya pagado 7 a 10 días después de que la farmacia para pedido por correo de Aetna reciba su orden. Si la farmacia para pedido por correo de Aetna necesita entrar en contacto con usted o con su médico recetante sobre su pedido, la entrega se puede demorar. Si usted prefiere entrega extra-rápida, el(los) medicamento(s) se puede(n) despachar de la noche a la mañana por un cargo adicional.

En situaciones donde haya un retraso en el envío, usted recibirá instrucciones sobre cómo obtener su medicación en una ubicación de farmacia minorista de la red del plan de *Aetna Medicare Rx*.

Haciendo preparar recetas en una farmacia fuera de la red

Las siguientes son algunas excepciones en cuyo caso pagaremos una receta preparada en una farmacia fuera de nuestra red.

Para obtener cobertura cuando usted viaje o esté lejos del área de servicio del plan

Si usted toma un medicamento bajo receta en forma regular y sale de viaje, asegúrese de verificar su suministro de medicamento antes de partir. De ser posible, lleve toda la medicación que necesitará. Usted puede pedir sus medicamentos bajo receta por adelantado utilizando nuestro servicio de farmacia para pedido por correo.

Si está viajando dentro de los Estados Unidos y de los Territorios y se enferma, se le pierden o agotan sus medicamentos bajo receta, cubriremos las recetas que se hagan preparar en una farmacia fuera de la red.

En esta situación, usted tendrá que pagar el costo total (en vez de pagar solamente su copago) cuando haga preparar su receta. Usted puede pedirnos que le reembolsemos nuestra parte del costo presentándonos un formulario de reclamo de reembolso. Si usted utiliza una farmacia fuera de la red, usted puede ser responsable de pagar la diferencia entre lo que pagaríamos por una receta

preparada en una farmacia de la red y lo que la farmacia fuera de la red cobró por su receta. Para aprender cómo presentar un reclamo de reembolso por escrito, refiérase al proceso para reclamos de reembolso por escrito que se describe más adelante.

También puede llamar a Servicios al Miembro para averiguar si hay una farmacia de la red en el área donde está viajando. Si no hay farmacias de la red en esa área, Servicios al Miembro podría tomar medidas para que usted consiga sus recetas de una farmacia fuera de la red.

No podemos pagar ninguna receta que sea preparada por farmacias fuera de los Estados Unidos y de los Territorios, aún para una emergencia médica.

¿Qué pasa si necesito una receta debido a una emergencia médica o porque necesité atención médica de urgencia?

Cubriremos las recetas que se hagan preparar en una farmacia fuera de la red si las recetas están relacionadas con atención para una emergencia médica o de atención médica urgente. En esta situación, usted tendrá que pagar el costo total (en vez de pagar solamente su copago) cuando haga preparar su receta. Usted puede pedirnos que le reembolsemos nuestra parte del costo presentándonos un formulario de reclamo de reembolso por escrito. Si usted utiliza una farmacia fuera de la red, usted puede ser responsable por pagar la diferencia entre lo que pagaríamos por una receta preparada en una farmacia de la red y lo que la farmacia fuera de la red cobró por su receta.

Otras ocasiones en las que usted puede obtener su receta cubierta si utiliza una farmacia fuera de la red

Cubriremos su receta en una farmacia fuera de la red si aplica por lo menos una de las siguientes situaciones:

- Si usted no puede obtener un medicamento cubierto, de manera oportuna, dentro de nuestra área de servicio a causa de no existir una farmacia de la red que proporcione servicios durante las 24 horas a una distancia razonable de conducción.
- Si está tratando de hacer preparar un medicamento bajo receta que no se almacene regularmente en una farmacia de la red minorista o de pedido por correo accesible (incluyendo drogas de alto costo y únicas).
- Si está consiguiendo una vacuna que sea médicamente necesaria pero no esté cubierta por la Parte B de Medicare y algunos medicamentos cubiertos que se administran en la oficina de su médico.

Antes de que usted haga preparar su receta en cualquiera de estas situaciones, llame a Servicios al Miembro para ver si hay una farmacia de la red en su área donde usted pueda hacer preparar su receta. Si usted va a una farmacia fuera de la red por las razones enumeradas arriba, usted tendrá que pagar el costo total (en vez de pagar solamente su copago) cuando haga preparar su receta. Usted puede pedirnos que le reembolsemos nuestra parte del costo presentándonos un formulario de reclamo de reembolso. Si usted utiliza una farmacia fuera de la red, usted puede ser responsable de pagar la diferencia entre lo que pagaríamos por una receta preparada en una farmacia de la red y lo que la farmacia fuera de la red cobró por su receta. Para aprender cómo presentar un reclamo de reembolso por escrito, refiérase al proceso para reclamos de reembolso por escrito que se describe a continuación.

¿Cómo presento un reclamo de reembolso por escrito?

Cuando usted va a una farmacia de la red, la farmacia nos presenta su reclamo de reembolso en forma automática. Sin embargo, si usted va a una farmacia fuera de la red debido a las razones enumeradas arriba, la farmacia no podrá presentar el reclamo de reembolso directamente a nosotros y usted tendrá que pagar el costo total de su receta. Cuando regrese a su hogar, simplemente envíe su reclamo de reembolso y su recibo a la siguiente dirección:

PO Box 14023
Lexington, KY 40512

Al recibirla, haremos una determinación inicial de cobertura sobre el reclamo de reembolso. Refiérase a su Evidencia de Cobertura o llame a Servicios al Miembro para obtener más información sobre las determinaciones iniciales de cobertura.

Aetna is the brand name used for products and services provided by one or more of the Aetna group of subsidiary companies. The Aetna companies that offer, underwrite or administer benefits coverage include Aetna Life Insurance Company. Aetna Pharmacy Management refers to an internal business unit of Aetna Health Management, LLC.

Aetna Rx Home Delivery® refers to Aetna Rx Home Delivery, LLC, a subsidiary of Aetna Inc. that is a licensed pharmacy providing mail-order pharmacy services. Aetna's negotiated charge with Aetna Rx Home Delivery, which is the negotiated charge made available to self-funded customers, may be higher than Aetna Rx Home Delivery's cost of purchasing drugs and providing mail-order pharmacy services. For these purposes, Aetna Rx Home Delivery's cost of purchasing drugs takes into account discounts, credits and other amounts that it may receive from wholesalers, manufacturers, suppliers and distributors.
